**(On Street Parking Places) Order 2009
(Gosforth High Street Area Variation) Orders 2017**

Road Humps Notice – Gosforth High Street Area 2017

The Council's reasons for proposing to make the above Order are as follows:-

It is proposed to introduce a number of raised pedestrian crossing points at all junctions along Gosforth High Street. This will improve access and afford a level of priority for pedestrians over motor vehicles.

In addition there will be a number of amendments to parking and waiting restrictions in the roads adjacent to the High Street. It is proposed to introduce some limited waiting parking places and some sections of no waiting restrictions. These will improve access to local shopping areas and prevent congestion by preventing inconsiderate parking.
