

STATEMENT OF REASONS

**City of Newcastle upon Tyne
Traffic Regulation (Consolidation) Order 2009
(Back George Street and Elswick East Terrace Variation) Order 2017 and
(On Street Parking Places) Order 2009
(Back George Street Variation) Order 2017**

The Council's reasons for proposing to make the above Order are as follows:-

Concerns have been raised by Newcastle College about the existing parking arrangements in Elswick East Terrace and Back George Street. The current parking is considered to be a road safety issue as vehicles park indiscriminately.

As a result of these concerns, a request has been made for improvements to assist visitors to the area.

It is proposed to introduce waiting restrictions to remove indiscriminate parking, and also limited waiting to formalise the current parking arrangement and provide some short term parking for visitors to the local amenities.
