

STATEMENT OF REASONS

City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 (Tintern Crescent / Heaton Park View Variation) Order 2019

The Council's reasons for proposing to make the above Order are as follows:-

The proposal is part of a package of measures which have been developed to encourage walking and cycling in this neighbourhood in collaboration with people who live, work, visit and learn in the Heaton and Ouseburn area.

The effect of the proposal will be to remove through traffic from Tintern Crescent by preventing access from Heaton Park View except for pedal cycles.

As only residents' vehicles should need to enter the road, it will make a more pleasant environment for all road users.
