

STATEMENT OF REASONS

City of Newcastle upon Tyne

**Traffic Regulation (Consolidation) Order 2009
(Etal Way Area Variation) Order 2019, and**

**Etal Way
Road Humps 2019**

The Council's reasons for proposing to make the above Order are as follows:-

Complaints have been received regarding obstructive parking at the entrance in to Etal Way from Etal Lane. This has led to vehicles having to leave the estate on the wrong side of the road. The proposals will help improve visibility at junctions.

Concerns have also been raised that speeding is occurring on Etal Way. Following a traffic survey, it was found that 94% of vehicles were exceeding the 20mph speed limit and thus traffic calming features are proposed.
