

## **STATEMENT OF REASONS**

### **City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 (Skinnerburn Road Area Variation) Order 2020**

The Council's reasons for proposing to make the above Order are as follows:-

Parked vehicles on Skinnerburn Road are causing access and visibility problems especially for larger vehicles. Parking occurs on both sides of the carriageway including on the footway and grass verge, which is causing damage and restricting pedestrian access.

It is proposed to introduce no waiting restrictions to prevent indiscriminate parking to improve access and road safety.
