

STATEMENT OF REASONS

City of Newcastle upon Tyne Brigham Close Area Speed Limit Order 2017

The Council's reasons for proposing to make the above Order are as follows:-

A new housing development is being constructed on land to the south of Harehills Tower, Brigham Avenue. Part of this permission is for the introduction of a 20mph speed limit on the residential street within the development.

It is proposed that the existing 20mph speed restriction on Brigham Avenue is extended into the new development, Brigham Close and onto Housing land.

This will reduce vehicle speeds in the newly developed residential area and the access to the rear of Harehills Tower.
