

STATEMENT OF REASONS

City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 (Whickham View Area Variation) Order 2017

The Council's reasons for proposing to make the above Order are as follows:-

Concerns have been raised about vehicles being parked on footpaths on Whickham View in the vicinity of Tynedale House. Observations have identified that these vehicles are parking in a manner that obstructs both the footpaths and pedestrian crossing. Bollards had been previously used but drivers are still accessing the footpath by driving behind the bollards.

The proposals are to introduce double yellow lines in key areas to ensure pedestrian safety in this area by removing parked vehicles. The proposed restrictions will prohibit this inconsiderate parking and improve road safety.
