

STATEMENT OF REASONS

City of Newcastle upon Tyne

**Traffic Regulation (Consolidation) Order 2009
(Rothbury Avenue Variation) Order 2017
and
(On Street Parking Places) Order 2009
(Rothbury Avenue Variation) Order 2017**

The Council's reasons for proposing to make the above Order are as follows:-

Complaints have been received that vehicles parking close to the junction of Rothbury Avenue and Amble Way can cause an obstruction, making it difficult to gain access to and from private driveways.

The proposals involve the extension of the existing double yellow lines restriction and a corresponding reduction in length of the existing permit holders parking place, and are intended to prevent vehicles parking close to the junction, which will improve access and visibility.
