

STATEMENT OF REASONS

City of Newcastle upon Tyne

**(On Street Parking Places) Order 2009
(Unnamed Access Road linking Great North Road
and St Andrews Cemetery Variation) Order 2018**

**Traffic Regulation (Consolidation) Order 2009
(Unnamed Access Road linking Great North Road
and St Andrews Cemetery Variation No. 2) Order 2018**

The Council's reasons for proposing to make the above Order are as follows:-

A consultation was previously held to introduce double yellow lines on the south side of the access road leading to St Andrews Cemetery and in the turning head. Feedback from the consultation indicated that the introduction of limited waiting bays on the north side of the access road would be supported. Comments received revealed that there is concern that commuters are parking all day in this location and limited parking for visitors accessing the local facilities.

It is therefore proposed to introduce 4 hour limited waiting parking on the north side of the access road which would operate between 8am and 6.30pm Monday to Saturday. This would be adequate time for visitors to the local facilities at this location and prevent long term commuter parking in the area.

A short section of double yellow lines is also proposed to extend over the access into the allotments to prevent this being obstructed by parked vehicles.

Note - the original consultation regarding the double yellow lines on the south side of the access road and turning head will continue to be progressed separately to these additional restrictions.
