

## **STATEMENT OF REASONS**

### **CITY OF NEWCASTLE UPON TYNE**

#### **PROPOSED PUFFIN CROSSING – NEWTON ROAD**

The Council's reasons for proposing the above crossing(s) are as follows:-

Concerns have been expressed that an existing zebra crossing on Newton Road was no longer adequate for the number of pedestrians using the crossing.

As a result of these concerns surveys have been carried out in this location which show that it would be justified for the existing zebra crossing to be upgraded to a puffin crossing.

The provision of a puffin crossing will improve pedestrian access on Newton Road.
