

STATEMENT OF REASONS

City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 [2017] (West Denton Road Area Variation) Order 2017

The Council's reasons for proposing to make the above Order are as follows:-

A new housing development has recently been completed on the site of the former Lemington School. As part of the planning process conditions were placed to regulate parking in the area surrounding the new development.

To prevent indiscriminate parking too close to junctions in the vicinity of the new development, double yellow lines are proposed to be installed at various locations in the vicinity of the Scholars Wynd housing development in order to maintain access and road safety.
