

STATEMENT OF REASONS

City of Newcastle upon Tyne (On Street Parking Places) Order 2009 (Brentwood Avenue, Jesmond Variation) Order 2018

The Council's reasons for proposing to make the above Order are as follows:-

Newcastle City Council has a contract in partnership with Co-wheels to provide a Car Club operation across the city.

The Car Club aims to provide an alternative to car ownership, by enabling residents to use the car club as and when they need a car, without needing to own a car. This should help reduce congestion and on-street parking in the area. The Car Club has the fastest growing membership rate for Co-wheels across the country.

Following on from the success of the initial phases of the Car Club in Newcastle, investment has been secured which will enable it to provide additional locations in Newcastle.

Brentwood Avenue has been identified as a suitable location into which to expand the Car Club operation.
