

STATEMENT OF REASONS

City of Newcastle upon Tyne (On Street Parking Places) Order 2009 [2017] (Burdon Terrace Variation) Order 2017

The Council's reasons for proposing to make the above Order are as follows:-

The site of the old school on Burdon Terrace has recently been converted into a residential care home and as such the school keep clear markings on the north side of the road are no longer required. In addition, the recently relocated Newcastle High School for Girls now on Tankerville Terrace have requested a bus parking facility, which will be used for picking up and dropping off pupils.

It is proposed to replace the school keep clear restriction with pay and display parking spaces. The existing disabled parking place outside the church will be relocated to the west in order to accommodate a new bus parking place which will be available for Disabled Badge holders in the evenings and at weekends.

The proposals will provide a better allocation of parking space in line with recently completed developments in Burdon Terrace.
