

## **STATEMENT OF REASONS**

### **City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 (Westway Industrial Estate Variation) Order 2018**

The Council's reasons for proposing to make the above Order are as follows:-

To enhance road safety by improving accessibility for hauliers and pedestrians by removing vehicles parked on the footpaths, and improve driver visibility at junctions.

Requests have been received from businesses on Westway Industrial Estate for restrictions to be introduced to alleviate inconsiderate parking on the access roads within the estate. It is therefore proposed double yellow lines to discourage motorists from parking in these locations and improve accessibility, visibility and safety for all road users.
