

STATEMENT OF REASONS

City of Newcastle upon Tyne

**Traffic Regulation (Consolidation) Order 2009
(Fountain Row Variation Order 2019, and**

**(On Street Parking Places) Order 2009
(Hunters Road and Fountain Row Variation) Order 2019**

The Council's reasons for proposing to make the above Orders are as follows:-

A visibility issue has been identified on Hunters Road at its junction with Fountain Row, and on Fountain Row at its junction with Ancrum Street due to vehicles parking too close to the junctions.

To improve road safety it is proposed to increase the length of double yellow line restrictions on Fountain Row at its junction with Ancrum Street.

It is also proposed to increase the length of the build out on Hunters Road and move forward the give way markings on Fountain Row into Hunters Road to improve visibility for all road users.
