

## **STATEMENT OF REASONS**

### **City of Newcastle upon Tyne Traffic Regulation (Consolidation) Order 2009 (Ladykirk Road Area Variation) Order 2019**

The Council's reasons for proposing to make the above Order are as follows:-

Requests have been made to introduce waiting and loading restrictions due to concerns regarding anti-social behaviour by motorists in this location.

It is proposed that double yellow lines and no loading at any time restrictions are introduced on a section of Ladykirk Road adjacent to the Multi Use Games Area. Double yellow lines are also proposed on the junction opposite.

The restrictions will deter motorists from waiting in these locations, therefore reducing the congestion experienced by inconsiderate parking and the associated anti-social behaviour from drivers and passengers.
