

STATEMENT OF REASONS

City of Newcastle upon Tyne

**(On Street Parking Places) Order 2009
(Newington Road Variation) Order 2019, and**

**Traffic Regulation (Consolidation) Order 2009
(Heaton Area Variation) Order 2019**

The Council's reasons for proposing to make the above Order are as follows:-

Concern have been raised regarding obstructive parking in the area which is causing access issues particularly for refuse collection, but also on general access and road safety in this location.

Problems have also be identified near the Ouseburn Community Centre on Newington Road with vehicles parking long term preventing short term parking for users of the facility.

To address this inconsiderate parking it is proposed to introduce no waiting at any time at various locations in the area. These are primarily focused on junctions to ensure access is available for larger vehicles and to improve visibility and road safety.

In addition limited stay parking is proposed adjacent to Ouseburn Community Centre to prevent long stay parking.
