

## **STATEMENT OF REASONS**

### **City of Newcastle upon Tyne (On Street Parking Places) Order 2009 (Tankerville Terrace Area Variation) Order 2020**

The Council's reasons for proposing to make the above Order are as follows:-

A number of residents in the Tankerville Terrace area have requested an amendment to the existing permit parking times in the area to address parking issues later in the evening.

It is proposed to introduce a period of permit holder parking in the evening between 6pm and 8pm Monday to Saturday. It is considered that this will address residents' concerns without unduly penalising commercial and community use premises in the area.

It is also proposed to allow residents in Princess Mary Court who have only one allocated parking space to apply for one residents' permit for Parking Zone J1. It is also proposed to provide 2 charity permits for use by Jesmond United Reform Church. These properties do not have access to off street parking facilities and need limited access to on street parking within the permit area.
