

# **STATEMENT OF REASONS**

**City of Newcastle upon Tyne**

**Traffic Regulation (Consolidation) Order 2009  
(Main Road (B6918) and Station Road Variation) Order 2020, and  
(On Street Parking Places) Order 2009  
(Main Road (B6918) Variation) Order 2020**

The Council's reasons for proposing to make the above Orders are as follows:-

The Ponteland Road / Station Road junction at Kenton Bankfoot is being upgraded to accommodate the increased traffic levels as a consequence of new housing developments in the area by the introduction of traffic lights.

As a result of the signalisation, and the need to keep the approaches to the stop lines clear of parked vehicles, some of the permit parking will need to be removed and replaced with double yellow lines.
