

STATEMENT OF REASONS

**City of Newcastle upon Tyne
Traffic Regulation (Consolidation) Order 2009
(Carrfield Road and Kenton Road Variation) Order 2020**

The Council's reasons for proposing to make the above Order are as follows:-

Concerns have been raised regarding parking at the junction of Carrfield Road and Kenton Road due to the number of parked vehicles. Vehicles parking on the road, pavement and grass verges too close to the junction are causing access and visibility problems for vehicles entering and exiting Carrfield Road.

It is therefore proposed to Introduce 'No Waiting at Any Time' (double yellow lines) restrictions at the locations specified in the Order.
