

STATEMENT OF REASONS

City of Newcastle upon Tyne (On Street Parking Places) Order 2009 (Chester Street Area Variation) Order 2017

The Council's reasons for proposing to make the above Order are as follows:-

It is proposed to review the existing restrictions on Byron Street and Chester Street and amend any anomalies contained within the City of Newcastle upon Tyne (On Street Parking Places) Order 2009

Some minor amendments will be required to the descriptions and to ensure that the restriction on Byron Street and Chester Street accurately reflect the detail within the On Street Parking Places Order. No physical changes to the restrictions on either Byron Street or Chester Street will be required.

Note – the Council are currently in the process of making a new 2017 Order. If the 2017 Order is made before the proposed Order, then the proposed Order will become an amendment to the 2017 Order.
