

STATEMENT OF REASONS

City of Newcastle upon Tyne (On Street Parking Places) Order 2009 (Morpeth Street Variation) Order 2021

The Council's reasons for proposing to make the above Order are as follows:-

It is proposed to introduce a loading bay on Morpeth Street to improve access for deliveries to the adjacent Londis store.

Delivery vehicles are currently parking in the middle of the carriageway to off load their goods. This is causing an obstruction on the public highway and is a potential road safety issue.

The introduction of a dedicated loading bay will help improve road safety.

The section of highway on which the loading bay will be located currently has a permit parking restriction on it which will be revoked as part of this proposal.
