## **Delivering For Our Communities – Our Budget for 2025-2026**

**We want to hear from anyone who may have views on our draft Newcastle Budget 2024-2025 proposals. In particular we would like to know:**

**Which proposal does this relate to? Is it clear and easy to understand?**

**What consequences or impact do you think there might be as a result of this proposal?**

**What do you think could be done to reduce any negative consequences or impact of the proposal?**

**Do you think the proposal is fair and reasonable, given the reduced amount of money the council will have in the future?**

**Do you think that there are other ways the council could make the savings set out in this proposal? If so, how do you think the council should make the savings?**

**Please let us have any further comments you have on this proposal or any alternative ways in which you think the council could make savings or generate income.**

**Please turn over and tell us a bit more about yourself**

Please return this by email to [letstalk@newcastle.gov.uk](mailto:letstalk@newcastle.gov.uk) or by post to: **FREEPOST Letstalk**
