Consultation event

The proposed developments have been designed to enhance the existing neighbourhood by providing attractive new homes that help meet local housing needs. The homes will be let through Newcastle Homes and managed by Newcastle City Council.

About the developments

Proposed new council homes:

Hazeldene Avenue

Apperley Avenue

Byrness Close

We are consulting on proposals to deliver new council homes across the three sites. The final mix and layout of homes will be informed by technical assessments, planning considerations and feedback received through the consultation process.
